

Inside the Apothecary Jar

This box contains a felt folder with dozens of facsimiles copied from our archives and a felt folder with a series of (optional) activities.

We have encased our more dangerous objects in resin, making them safe and easy to handle.

You will also find the following objects in the box:

3 x Materia Medica

5 x Herbarium Jar

Gregory's Stomachic Powder (in original glass bottle)

Ucal Bronchial Lozenge Tin

Milk of Magnesia Tablet Tin

Cadum Ointment Tin
