- All you need to know about FRCR/SCE

Designed for trainees in Clinical Oncology at the start of their preparation for the FRCR exam part 2, and trainees in Medical Oncology at the start of their preparation for MRCP(UK) Specialty Certificate Examination in Medical Oncology, this course continues to add vital exam prep.

The course format will vary between pre-recorded pre-course talks and live panel discussions of clinical cases.

Library of over 30 specialty pre-recorded talks as an additional resource, in advance of the in-person MDT-style sessions at RCPE Edinburgh on 19–21 March 2025

All recordings of talks available to delegates via catch-up on our Education Portal for 12 months post-event
