# Professionalism in Medicine: Artificial Intelligence in Healthcare

Tuesday 4 March 2025

🕐 18:30 – 20:00

💻 Online

---

**18:30 Developing AI for use in healthcare: potential pitfalls and model fairness**

- What is it and why does it matter when developing AI for healthcare?

**19:00 Theory into practice: an industry perspective**

- Exploring the development of AI technology for clinical practice from an industry perspective

**19:30 AI in the NHS: implementation of AI into routine clinical practice**

- What can it do for us and our patients, and what are the challenges of bringing AI into the NHS

All grades of medical, nursing, scientific staff, allied health professionals and medical students are most welcome.

You can register for online or on-demand attendance.

▶ All recordings of talks available to delegates via catch-up on our Education Portal for 28 days
