

Gwent Clinical School
Directions to the Friars Education Centre
Friars Road
NEWPORT
NP20 4EZ

01633 238122

Take Junction 28 off the M4

Follow the A48 signs to Newport City Centre. You will approach the first roundabout near the Patents Office and Office for National Statistics. Take the first exit from this roundabout and follow the road through to Newport. You will pass the South Wales Argus Newspaper Headquarters and a Tesco's superstore on your right hand side as well as passing through several sets of traffic lights. Most of this road is bus lane with a 30 mile an hour speed limit, so keep in the right hand lane and watch out for the speed camera.

When you reach the traffic lights, you will see the hospital ahead on your left, go into the left-hand lane and turn up the hill, which will take you past a brick wall (part of the Royal Gwent Hospital). Keep driving up the hill, ignoring two right hand turnings (No Entry) until you reach a crossroads. On your left will be Belle Vue Park and on your right is a Bath Stone building (slightly hidden from the road). This is The Friars, Education Centre building. Turn right and follow the road round to behind the house up a small incline to the car park barrier. Press the buzzer in order to gain entry stating the name of the course/ seminar you are attending.

Newport train station is only a five minute taxi journey away from the Gwent Clinical School
