Dear Ms Nixon

INVITATION TO COMMENT ON GOOD MANAGEMENT GOOD RECORDS

The Royal College of Physicians of Edinburgh welcomes the opportunity to respond to the DHSSPS's *Invitation to comment on Good Management Good Records*.

The College has contributed to standards on medical records developed by the Royal College of Physicians of London for the Academy of Medical Royal Colleges. These are due for publication shortly and may be of help in your review.

Please note that these comments have already been sent to you by e-mail.

Yours sincerely

Dr A Deepak Dwarakanath FRCP Edin
